200 + Stations, Curated by Music Experts, Custom

Description

Milk Music™, powered by Slacker, puts you in control of your radio stations. While some radio apps rely on formulas and algorithms, Milk Music lets you fine-tune your stations in immersive ways that give you more power to customize. Discover new hits and re-discover old favorites by simply turning the dial. With over 200 stations programmed by top industry pros, you'll get fewer repeats and more new discoveries, all tailored to your taste Exclusive to Galaxy owners of select Samsung Galaxy phones, tablet and gear (US only).

Get Started by Spinning the Dial

The interactive radio dial is your key to finding the perfect match for your mood.

Create Stations Based on Your Taste

Create artist or song-based stations to add more to the mix and more to your dial.

Customize Even More

Make your stations even better by factoring in what you care about.

Listen Across Your Samsung Devices

No matter where you're logged in—on your phone, gear, or tablet—your listening history and preferences come with you.
